WONDERFUL VILLAGES AWARDS 2022

INSPIRATIONAL STORY AWARD

Here we are looking for you to inspire us with any kind of 'story' connected in some way to your village, church or community hall.

This could range from how your hall came into existence many years ago, to an intriguing or famous character or unusual event connected to your hall. This category is all about sparking our interest with a tale from the past or present that really captures our imagination.

To enter for this Award, which closes on Monday 31 October 2022 at 4pm, please visit: www.thevillagehallspodcast.com/wonderfulvillagesawards
