WONDERFUL VILLAGES AWARDS 2022

PROJECT OF THE YEAR AWARD

This is a broad category and applies to almost any project your local village, church or community hall has delivered, or is currently delivering, to support your community. This could range from rebuilding or upgrading your facilities to an initiative to develop a community business, or to tackle loneliness and isolation, for example.

Here, we are looking for evidence of hard-work, commitment and success or progress in achieving your project's objectives.

When we say 'Project of the Year' we mean a project we are awarding this year in 2022! We will recognise any project that has started within the past 5 years and your project can be one that is ongoing...

To enter for this Award, which closes on Monday 31 October 2022 at 4pm, please visit: www.thevillagehallspodcast.com/wonderfulvillagesawards
