VILLAGE HALLS INSPIRATION AWARDS

WIN £2,500 FOR YOUR VILLAGE HALL

We believe the incredible contribution village, church and community halls throughout rural Britain make to their communities should be recognised and rewarded

This year in 2023, together with Allied Westminster - the home of VillageGuard, the UK's most popular Village Hall insurance - we've launched the **VILLAGE HALLS INSPIRATION AWARDS**.

We're looking for you to tell us about anyone in your community, or any project or activity you've developed, that could inspire other halls across the UK achieve great things locally. Just like the kind of people and activities we've featured in our podcast since we started in 2021.

The Awards feature three prizes, with 3rd place receiving £1,000, 2nd place receiving £1,500 and our top award will be £2,500. So that's a total prize fund of £5,000 up for grabs!

ENTER ONLINE NOW!

These Awards are open to any village, church or community hall in the United Kingdom and are focused entirely on rural communities.

Further information on our awards and how to enter can be found at
